Dear O.M.,

It is with very much pleasure that I have to inform you that the Council have awarded you a small Silver Trophy in recognition of your outstanding work in the International 56 Mc Contest which we arranged last year. The Trophy is going forward by registered mail and I hope it reaches you in good condition.

We should very much appreciate it if you can let us have details of your more recent work on the ultra high frequencies, with a view to publication in the Society's Journal.

With kind regards and best wishes.

Yours sincerely,

J. C. Larnshaw
Secretary-Editor
